The Gambia:

28 Day Medical/Drama Ministry

14 Day Medical Ministry (College age and above with medical skills)

The Gambia is a predominantly Muslim country, and both of these frontier mission trips are spiritually intense. You'll use your gifts and talents as you proclaim Him in seaports, markets and remote villages.

For many of those we serve, this will be their first experience with a real doctor. Most of their medical care comes from the village marabout (a witch doctor who adheres to a mixture of Islamic and traditional African beliefs.) As God directs, the 28-day team will also have the opportunity to proclaim him through the "Freedom" drama.

God is calling many to proclaim Him in this Dark Continent. The real question is not who will go. Instead, you must ask yourself, "Why not me?" Why would it not be me whom God calls to push back the darkness in areas that have never experienced light?

Will you proclaim Him in the Gambia?

Eastern Europe

28 Day

Hungary, Slovakia and Romania, three countries of diverse language, cultures and needs, united by one thing: These former communist countries need someone to bring them the Good News. Since the fall of communism and the modernization of Europe, these three nations have been plagued with humanism, and the understanding of the gospel has faded with time. Many of those who live here continue to wrestle with the idea of why they need God or if He even exists. In this region of Gothic architecture, emerald lakes and mountain resorts, atheism has captured the minds and hearts of many, and few recognize their deep need for Jesus.

From modern malls to bullet-ridden walls, God needs you to proclaim Him in places that have endured so much pain and hold so much promise. Where will you go to proclaim Him this summer? Why not Eastern Europe?

Panama

14 Day

The San Blas Islands —365 in all—represents pure gospel-focused ministry. Our vision is to partner with local church planters, who traverse the region by boat, and continue the work begun last summer. After a roller-coaster ride through the jungle and a refreshing boat trip, you'll dock and watch fishermen bringing in their morning catch and women with tattooed noses, tribal skirts and red kerchiefs carrying out their daily chores, all with a backdrop of palm-thatched roofs.

No matter where your Panama journey takes you, you'll find needs—and ways to meet them. Has God spoken to you about this exciting adventure of culture and calling? Are you ready to proclaim Him? Come join us in Panama in 2019!

Guatemala

14 Day

Over the past few years, the land and her people have faced several natural disasters. The 2018 volcanic eruptions of Fuego left many people homeless, displaced, devastated—and questioning the goodness of God. This past summer,

The 2018 Guatemala Awe Star discovered that, in the midst of crisis, hearts are more open and receptive to the gospel. We see the continuing aftermath of natural disasters as our God-given opportunity to infuse truth into minds and hearts that have received tradition and religion without the true hope of relationship in Jesus.

As we go into the highways and byways of Guatemala, we'll visit schools, orphanages, marketplaces and more, spreading the Good News of the gospel of Jesus Christ. Is God calling you to proclaim His name as you share the healing power of restoration? Will you say yes to His call?

Canada 10 Day - Toronto

Toronto, known as the “gateway to the nations” and one of the most ethnically diverse cities on earth. Named after the Huron word that means “to gather,” this beautiful, modern city is a place where the peoples of the world come together in one place. The fields here are white unto harvest, but few churches work among the vast refugee and unreached immigrant populations.

Through our partnership with Global Gates Canada, this trip will focus on intentional ministry to the unreached people groups pouring into the Toronto area as refugees. Have you heard God’s call to take the gospel to the ends of the earth, to be a vital part of taking the gospel to every tribe, tongue and nation? Come labor alongside us this summer as you reach out to share His love and proclaim His name to the people and nations He brings our way—in Canada.

Mexico: Christmas Break 2018, Spring Break 2019

As you cross the international bridge over the Rio Grande River, you notice a sign with a line right down the middle. One side says, “United States,” and the other says, “Mexico.”

In only a few miles, you have entered a new and exciting world. You pause a moment to realize you are now an international missionary. Working with Pastor Nicolas Alba and Agape Church, your team will take the Good News of Jesus Christ to soccer fields, flea markets, public squares and prisons. Many Awe Star missionaries—even the former president of Awe Star—began their missions adventures in this very place.

After you experience the passion of the Mexican church for her own people, your life will never be the same. Working side by side with students from this beautiful but broken land, you’ll fall in love with them, their country and their heart to share the gospel.

What are your plans for Christmas or spring break? Why not follow His call to experience a gospel-focused adventure and proclaim His name in Mexico?
