

# Vaccination/Medication

*Awe Star Required-based on the location you are going*

Vaccine	Mexico 	Panama 	Peru 	Gambia 	Panama 14 day 
Hepatitis A	X	X	X	X	X
Hepatitis B					
Polio					
Rabies					
Typhoid		X		X	X
Yellow Fever			X	X	
Tetanus*	X	X	X	X	X
Malaria Medication				X	

\* **Tetanus** – If you don't remember when you had your last shot, then you should get one. They will last up to 10 years but usually if it's over 5 you may want to get another.

*Awe Star does not require these Vaccinations. This is here for your information, some places that provide travel immunizations will try to sell them all to you, but it's not needed for our specific locations. If questions call our office.*
